COMMUNITY FOUNDATION

An affiliate of
Hampton Roads Community Foundation

Our Mission

To create and provide philanthropic resources to meet a broad range of needs for the benefit of the Eastern Shore of Virginia by:

Enabling donors to meet their charitable goals through prudently administered permanently endowed funds.

Offering a comprehensive array of services to encourage, advance and educate donors concerning effective philanthropy.

Making critical grants to meet current and emerging community needs and opportunities.

Our Values

The Eastern Shore of Virginia Community Foundation is guided by certain values and principles.

We Believe:

Building a permanent unrestricted endowment provides the best resource for meeting the future needs of the community.

Making strategic and transformational grants is the most effective way to create positive changes in the community and inspire philanthropy.

Funding across a spectrum of social services, the arts, civic projects and the environment is our mandate; focusing on education and healthy families as the foundation for individual success and community vitality is our priority.

Treating our donors, grant applicants, volunteers and employees with equal respect is essential to the success of our mission.

Foundation Partners

The Eastern Shore of Virginia Community Foundation recognizes with deepest appreciation the following “partner” organizations which have created endowments with ESVCF:

- The Auxiliary of Shore Memorial Hospital
- Broadwater Academy
- Broadwater Academy Julia B. Fleet Endowment
- Citizens for a Better Eastern Shore (CBES)
- Eastern Shore of Virginia Barrier Islands Center
- Eastern Shore Community College Foundation
- Friends of the Northampton Free Library, Inc.
- Eastern Shore Family YMCA Branch of the YMCA of South Hampton Roads
- Randy Custis Memorial Fund, Inc.

Endowments created by partner organizations are identified as “Organizational Funds” within the ESVCF assets. ESVCF maintains an ongoing program of creating Organizational Funds for local nonprofit organizations. These relationships allow for management of dedicated endowments by the Hampton Roads Community Foundation through ESVCF while generating an annual income for the nonprofit. The Eastern Shore Community College Foundation created the first Organizational Fund with ESVCF in 2006. Since then, several additional partner groups have created endowments. ESVCF looks forward to assisting additional partner groups in the years ahead through this growing program.

How To Become A Donor

The Eastern Shore of Virginia Community Foundation offers simple and effective options for donors who wish to improve their community through philanthropy. All gifts to ESVCF can be funded with cash or through the donation of securities, real estate, or stock.

Funds Available To Donors:

Donor Advised Funds - Donor advisors can contribute assets at any time and then recommend to the Foundation grants to nonprofit organizations from the advised funds they have established.

Field of Interest Funds - Donors are able to address an area of concern, such as arts and culture, education, the environment or human services. These funds allow the Foundation’s Board to choose specific nonprofit organizations as grant recipients who meet a donor’s criteria.

Unrestricted Funds - These funds support responsive and strategic grants and broad, evolving community needs. Decisions on using these funds are left to the discretion of the Foundation’s Board of Directors, which regularly reviews proposals from area nonprofit organizations.

Scholarship Funds - These funds provide students with financial resources for college and other educational opportunities. Donors can establish criteria for the scholarship.

Designated Funds - Donors are able to select specific nonprofit organizations to receive support as long as the organizations remain in existence and continue their charitable purposes.

Dear Friends,

As the Eastern Shore of Virginia Community Foundation completes its 7th full year of operation, it is extremely gratifying to have been able to help various nonprofit organizations in Accomack and Northampton counties with grants totaling over \$1,000,000 since the foundation’s inception. I cannot thank enough all of our local supporters and past and present board members.

During 2011 four solid contributors to the foundation rotated off the board: W. Revell Lewis, III, Suzanne VK. Tankard, Catherine G. Tignor, and Donald J. Trufant, whose generosity, wisdom and willingness to do what needed to be done will be greatly missed. But we are delighted to welcome Robert S. Bloxom, Kelly B. Conklin, Maureen A. Lawrence, and Ellen S. Papetti whose collective leadership and community experience will continue to keep the board’s diversity and depth intact.

The foundation, as well as other local nonprofits, continues to face a struggling economy and an ever-increasing demand on available donor dollars. In regard to dollars let me emphasize that the foundation is always extremely grateful for any size donation, whether it be \$5.00 or a larger bequest from an estate. With the hard work of our board and the continued generosity of our community, the Eastern Shore of Virginia Community Foundation will continue to grow and be able to help those in need.

If anyone has any questions or comments concerning the foundation, please do not hesitate to contact any of our board members. It is with deepest appreciation that I extend thanks for your support over the years.

Sincerely,

J. Anderson Duer, Jr.

Investment Overview

Hampton Roads Community Foundation

Year Ending December 31, 2011

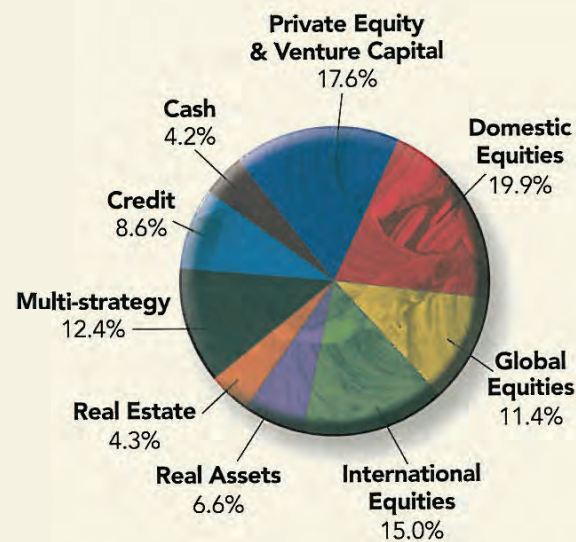

The affiliate relationship between the Eastern Shore of Virginia Community Foundation and the Hampton Roads Community Foundation places stewardship of ESVCF capital assets with the Hampton Roads Community Foundation. Through its investment committee, which has investment oversight responsibility for an endowment of approximately \$219 million, the Hampton Roads Community Foundation seeks to invest resources prudently in order to preserve and grow the endowment's capacity to fund grants in accordance with donors' wishes today and in the future.

The Hampton Roads Community Foundation is committed to being a good steward of the assets entrusted to it by generous donors over the past 62 years. HRCF invests its resources wisely so they grow to meet future needs while providing funds for grants and scholarships today.

Oversight of their investment portfolio is handled by their investment committee, which works with their investment manager, Spider Management Company LLC of Richmond. On July 1, 2011 the community foundation began investing with Spider Management through its Richmond Fund, thereby joining the University of Richmond and 21 other nonprofit endowments as Spider Management partners.

HRCF is completing the final transition of Hampton Roads Community Foundation assets to Spider Management, which focuses on diversification through approximately 70 portfolio managers. The pie chart below shows asset classes in which Spider Management invests. It also gives a snapshot of the portfolio's asset allocation as of December 31, 2011.
