students having fun while learning about wetland ecology.

OUR GRATITUDE

The Eastern Shore of Virginia Community Foundation (ESVCF) is delighted to share our Annual Report with you and our community.

ESVCF is now in its 15th year of operation and it is extremely gratifying to have been able to award 87 grants totaling nearly \$2,600,000; \$261,000 in 2018 alone.

It is only through your generosity that ESVCF has been able to assist so many organizations and it is a testament to the power of philanthropy. The Foundation was established in October of 2004 to benefit the residents of the Eastern Shore and we focus entirely on 501(c)(3) organizations in Accomack and Northampton Counties. Many of the charitable organizations on the Eastern Shore struggle to raise the funds to support the maintenance of their facilities. Grants from the Foundation have supported the repair of historical buildings, museums, and other older buildings, housing many needed services for the Eastern Shore.

We have added two additional endowment funds to our family of funds, totaling well over \$10 million at the end of 2018. Today the Foundation has 44 funds under management, including 15 funds established by organizations as permanent endowments to support their work, and 10 donor advised funds that allow donors to recommend grants for specific non-profit organizations. In addition, the Foundation has 4 donor-advised (quasi) funds, 8 designated funds and 7 unrestricted funds.

A part of life on Virginia's Eastern Shore has always been the profound level of community support and connections. This type of giving is the bedrock of this Foundation and we want to publicly thank each of our supporters and friends for their past and continuing support and enthusiasm. We also want to point out the extraordinary dedication, service and wisdom our present and previous board members have devoted to the Foundation. Without these individuals, our success could not and would not be possible.

Please consider donating to the Foundation. No gift is too small. Through our collective commitment to community philanthropy, we can help ensure a bright future for the Eastern Shore.

Experiences Create Philanthropic Vision

When David Landsberger (left) first took his young daughter to a weekend YMCA camp in upstate New York, he wasn't sure what to expect. But the visit ended up changing his life, his daughter's life and ultimately Chincoteague and the surrounding Eastern Shore communities. That visit to a YMCA in the Catskills gave him the opportunity to bond with his child in a truly meaningful way. The visits continued as his daughter grew up and provided a shared experience that resonated with him when later in life, he pondered about ways to help his communities.

Mr. Landsberger originally from New Jersey and received his undergraduate degree from Carnegie-Mellon Institute in Pittsburgh and later his master's from Case-Western University. He founded several companies, one of which was located in Pocomoke, MD. It was during antique-hunting trips that he found the Eastern Shore and ultimately ended up building a home here.

Mr. Landsberger was involved in a tragic airplane crash in 1989 that was another turning point in his life. "It was a terrible experience and I was lucky indeed to have survived – it changed the way I looked at life, my family and my experiences" remarked Landsberger. "I realized how fortunate I was, and I wanted to give back".

In 2015, he created a donor-advised fund called the Landsberger Family Fund and has actively granted funds to a variety of projects on the Island of Chincoteague such as the Chincoteague Island Arts Organization ("CIAO"), ES Coalition Against Domestic Violence, Habitat for Humanity, the Foodbank, the YMCA, and the ES Community College Foundation. These projects have enriched not only the Chincoteague community culturally, socially and recreationally but the entire Eastern Shore of Virginia. The newest project, The Community House of Chincoteague provides meeting space for seniors, local groups as well as visiting artists in the summer.

In addition, Mr. Landsberger funds a chess program at Metompkin Elementary, especially satisfying to him as one of his ancestors was the father of modern chess. Another project is helping the Pocomoke YMCA create a summer camp, hopefully modeled after the same program that he and his daughter attended and enjoyed those many years ago. An active member of the Eastern Shore Community College Foundation Board, Mr. Landsberger has yet another outlet to create positive changes on the Shore.

And, Landsberger admits that there is still plenty of work left to do. Still to come is a park in town that will include playground equipment, a soccer field and swimming pool. "Giving back to a community I've come to love is important to me and gives life meaning and substance. "

GRANTS AWARDED 2018

Central Accomack Little League

\$45,000 to assist with construction of a new playground.

Chincoteague Bay Field Station

\$25,000 to purchase vehicles for programs.

Chincoteague Island Arts

\$50,000 to assist with renovations to the Island Roxy Theatre.

Chincoteague Volunteer Fire Co.

\$50,000 to assist with the construction of a new fire station.

Eastern Shore Habitat for Humanity

\$32,000 to purchase a used truck and office equipment.

Eastern Shore Rural Health System

\$50,000 to assist with the construction of the new Eastville Community Health Center.

North Street Playhouse

\$25,000 to provide funds for theatre upgrades.

FUNDS AVAILABLE

Donor Advised Funds - Donor advisors can contribute assets at any time and then recommend grants to nonprofit organizations from the advised funds they have established.

Field of Interest Funds - Donors are able to address an area of concern, such as arts and culture, education, the environment or human services. These funds allow the Foundation's Board to choose specific nonprofit organizations as grant recipients who meet a donor's criteria.

Unrestricted Funds - These funds support responsive and strategic grants and broad, evolving community needs. The use of these funds are left to the discretion of the Foundation's Board of Directors, which regularly reviews proposals from area nonprofit organizations.

Scholarship Funds - These funds provide students with financial resources for college and other educational opportunities. Donors can establish criteria for the scholarship.

Designated Funds - Donors are able to select specific nonprofit organizations to receive support as long as the organizations remain in existence and continue their charitable purposes.

Organizational Funds - These funds are established by nonprofit organizations to generate income for their own use.

Central Accomack Little League

New Playground Gets Kids Moving, Honors Longtime Volunteer

"Tiffany Lewis Smith was a beautiful, kind and giving soul who gave a great deal of her time to different community activities including Central Accomack Little League," explained Melissa Payne, Central Accomack Little League's board member. Mrs. Smith, the mother of two boys, died of cancer in 2017. She was an active volunteer for the organization and inspired the group to raise funds and build a playground in her honor.

The Eastern Shore of Virginia Community Foundation provided a \$32,000 grant to the organization to help build a community playground which will serve the families, players as well as the local community.

Payne remarked, "We aspire towards an environment of community, in which children, parents, and volunteers can participate freely and help our children become responsible adults. CALL provides a place for children to not only learn the fundamentals of baseball and softball but to learn leadership and team-building skills that they can use throughout their lives. We encourage family participation and volunteering to help, and in doing this we are setting a good example for our children."

Adding a playground to their facility will encourage more outdoor play from our generation of screen-obsessed children. A playground provides opportunities to improve strength, coordination, flexibility, and overall cardiovascular health.

"Tiffany loved kids and loved Little League," said Payne, "we can't think of a better way to honor her memory than to ensure that kids will be happy here."

Chincoteague Volunteer Fire Company

Building on a Lasting Legacy - Ready for the Future in a New Building

Formed 95 years ago, the Chincoteague Volunteer Fire Company is as integral a part of the Chincoteague Community as their famous annual fundraising event, Pony Penning. Established to serve the island, the company is staffed by volunteers who give generously of their time and talents at the station and Pony Penning.

The members of the Chincoteague Volunteer Fire Company recognized a need for a new fire station about 10 years ago when they experienced roof and other structural problems and they realized they had outgrown the current station. The organization formed a capital campaign to raise the funds to build a new station just off Maddox Boulevard with state-of-the-art technology to provide emergency care to Chincoteague residents.

Debbie Bowden, CVFC spokesperson further explained, "The members we have now, this is the only station they have ever known, so moving is bittersweet. Fire engines, ambulances and rescue trucks are bigger than they were back in the 1950s and they don't always fit, and the structure is not as stable as we'd like it to be. The new station will fix this. We're so grateful for all the support we've received to make this a reality."

The Eastern Shore of Virginia Community Foundation provided grant funds to assist in the campaign to bring this upgraded fire facility to Chincoteague.

Pictured above: Chincoteague Volunteer Fire Company new Fire Station.

ESVCF FUNDS

The funds listed here, totaling \$10,608,665.00 as of December 31, 2018, comprise the entirety of the capital assets of ESVCF. Fund assets are managed by the Hampton Roads Community Foundation. The HRCF makes 4.5% of the fund's trailing 12-quarter average balance available to meet each funds' charitable purposes annually.

North Street Playhouse

Theatre Upgrades Ensure a Solid Future

North Street Playhouse recently celebrated 33 years of producing live theatre in Onancock. The venue was established to promote and encourage the appreciation of and participation in the performing arts, particularly the theatre arts on the Shore. The playhouse provides opportunities for the local community to experience live theatre as well as take classes, workshops and other activities.

Executive Director Terry Bliss commented, "North Street is a home for the performing arts in our community. In many of our productions, we pair seasoned professionals with student interns giving them performing arts experience that inspires and helps them in many different ways. Several years ago, the board realized that we needed upgrades to the facility to ensure that the playhouse will be safe and functioning for the future, so we embarked on a fundraising effort that included grant funding from the Community Foundation."

Productions regularly include children, youth, seniors and minorities in all aspects of products, making it truly a community theatre. Performances range from classic drama to ballet to Broadway musicals. In addition, NSP holds theatre camp drawing students from as far away as New York.

The renovation project included lighting and flooring upgrades as well as new kitchen facilities and office equipment. The Eastern Shore of Virginia Community Foundation's grant provided the better part of the funds needed for the improvements.

Eastern Shore Rural Health System Inc

The New Eastville Community Health Center

The Eastern Shore Community Foundation provided a \$50,000 grant to Eastern Shore Rural Health's (ESRHS) campaign to build the new Eastville Community Health Center. ESRHS is replacing the aging Bayview and Franktown Community Health Centers with a new medical and dental facility conveniently located on Route 13 in Eastville. The new center will cost an estimated \$11.7 million and is anticipated to open in early 2020.

The new facility will have more than 24,000 square feet compared to the 13,700 square feet that the current Bayview and Franktown have combined. By consolidating the two centers ESRHS will be able to offer a state-of-the-art facility that will provide potential expanded hours to include 10-hour days and Saturday hours, digital x-ray, expanded lab services and hours, potential telemedicine and additional providers and staff. Digital x-ray is currently not at either facility. Additionally, the new center will allow residents in the southern part of Northampton County increased access to dental care.

Dr. Gabriella Richardson of ESRH examines a young patient at Bayview Community Health Center (top). Construction of the new Eastville Community Health Center was well underway in May 2019 (bottom).

FOUNDATION PARTNERS

The Eastern Shore of Virginia Community Foundation recognizes with deepest appreciation the following "partner" organizations which have created endowments with ESVCF:

- The Auxiliary of Shore Memorial Hospital
- Broadwater Academy
- Broadwater Academy Julia B. Fleet Endowment
- Chincoteague Island Arts
- Chincoteague Island Library Endowment Fund
- Citizens for a Better Eastern Shore (CBES)
- Eastern Shore of Virginia Barrier Islands Center
- Eastern Shore Community College Foundation
- Eastern Shore Family YMCA Branch of the YMCA of South Hampton Roads
- Katharine H.S. Edmonds Reading Material Fund
- Friends of the Northampton Free Library, Inc.
- Museum of Chincoteague Island
- Randy Custis Memorial Fund, Inc.
- Virginia Eastern Shore Land Trust

Endowments created by partner organizations are identified as "Organizational Funds" within the ESVCF assets. ESVCF maintains an ongoing program of creating Organizational Funds for local nonprofit organizations. These relationships allow for management of dedicated endowments by the Hampton Roads Community Foundation through ESVCF while generating an annual income for the nonprofit. The Eastern Shore Community College Foundation created the first Organizational Fund with ESVCF in 2006. Since then, many additional partner groups have created endowments. ESVCF looks forward to assisting additional partner groups in the years ahead through this growing program.

HAMPTON ROADS COMMUNITY FOUNDATION YEAR ENDING DECEMBER 31, 2018

The affiliate relationship between the Eastern Shore of Virginia Community Foundation and the Hampton Roads Community Foundation (HRCF) places stewardship of ESVCF capital assets with the Hampton Roads Community Foundation. Through its investment committee, which has investment oversight responsibility for an endowment of approximately \$355 million, the Hampton Roads Community Foundation seeks to invest resources prudently in order to preserve and grow the endowment's capacity to fund grants in accordance with donors' wishes today and in the future.

The Hampton Roads Community Foundation is committed to being a good steward of the assets entrusted to it by generous donors over the past 68 years. HRCF invests its resources wisely so they grow to meet future needs while providing funds for grants and scholarships today.

Oversight of HRCF investment portfolio is handled by its investment committee, which works with its investment manager, Spider Management Company LLC of Richmond. Since 2011 the community foundation began investing with Spider Management through its Richmond Fund. The Hampton Roads Community Foundation joins University of Richmond and other nonprofit endowments as Spider Management partners.

2018 INVESTMENT ALLOCATION

Spider manages approximately \$4.1 billion in assets and provides us access to a mature, well-diversified investment portfolio managed by a professional staff with an excellent performance record. It also gives a snapshot of the portfolio's asset allocation as of December 31, 2018.

EASTERN SHORE OF VIRGINIA COMMUNITY FOUNDATION YEARS ENDED DECEMBER 31, 2017 AND 2018

BALANCE SHEET

WE BELIEVE

Building a permanent unrestricted endowment provides the best resource for meeting the future needs of the community.

Making strategic and transformational grants is the most effective way to create positive changes in the community and inspire philanthropy.

Funding across a spectrum of social services, the arts, civic projects and the environment is our mandate; focusing on education and healthy families as the foundation for individual success and community vitality is our priority.

Treating our donors, grant applicants, volunteers and employees with equal respect is essential to the success of our mission.

OUR FOCUS

Public & Civic Life: Preserve and increase access to our unique community assets.

Education: Improve students' readiness to learn and ability to succeed in school and life.

Arts & Culture: Promote broad-based participation in arts and cultural activities.

Environment: Support environmental preservation and education.

Health: Support healthcare services and wellness education through community-based organizations

Family, Child & Social Welfare: Improve the quality of life for families & communities, particularly in the areas of basic human needs.

OUR MISSION

To create and provide philanthropic resources to meet a broad range of needs for the benefit of the Eastern Shore of Virginia by:

Enabling donors to meet their charitable goals through prudently administered permanently endowed funds.

Offering a comprehensive array of services to encourage, advance and educate donors about effective philanthropy.

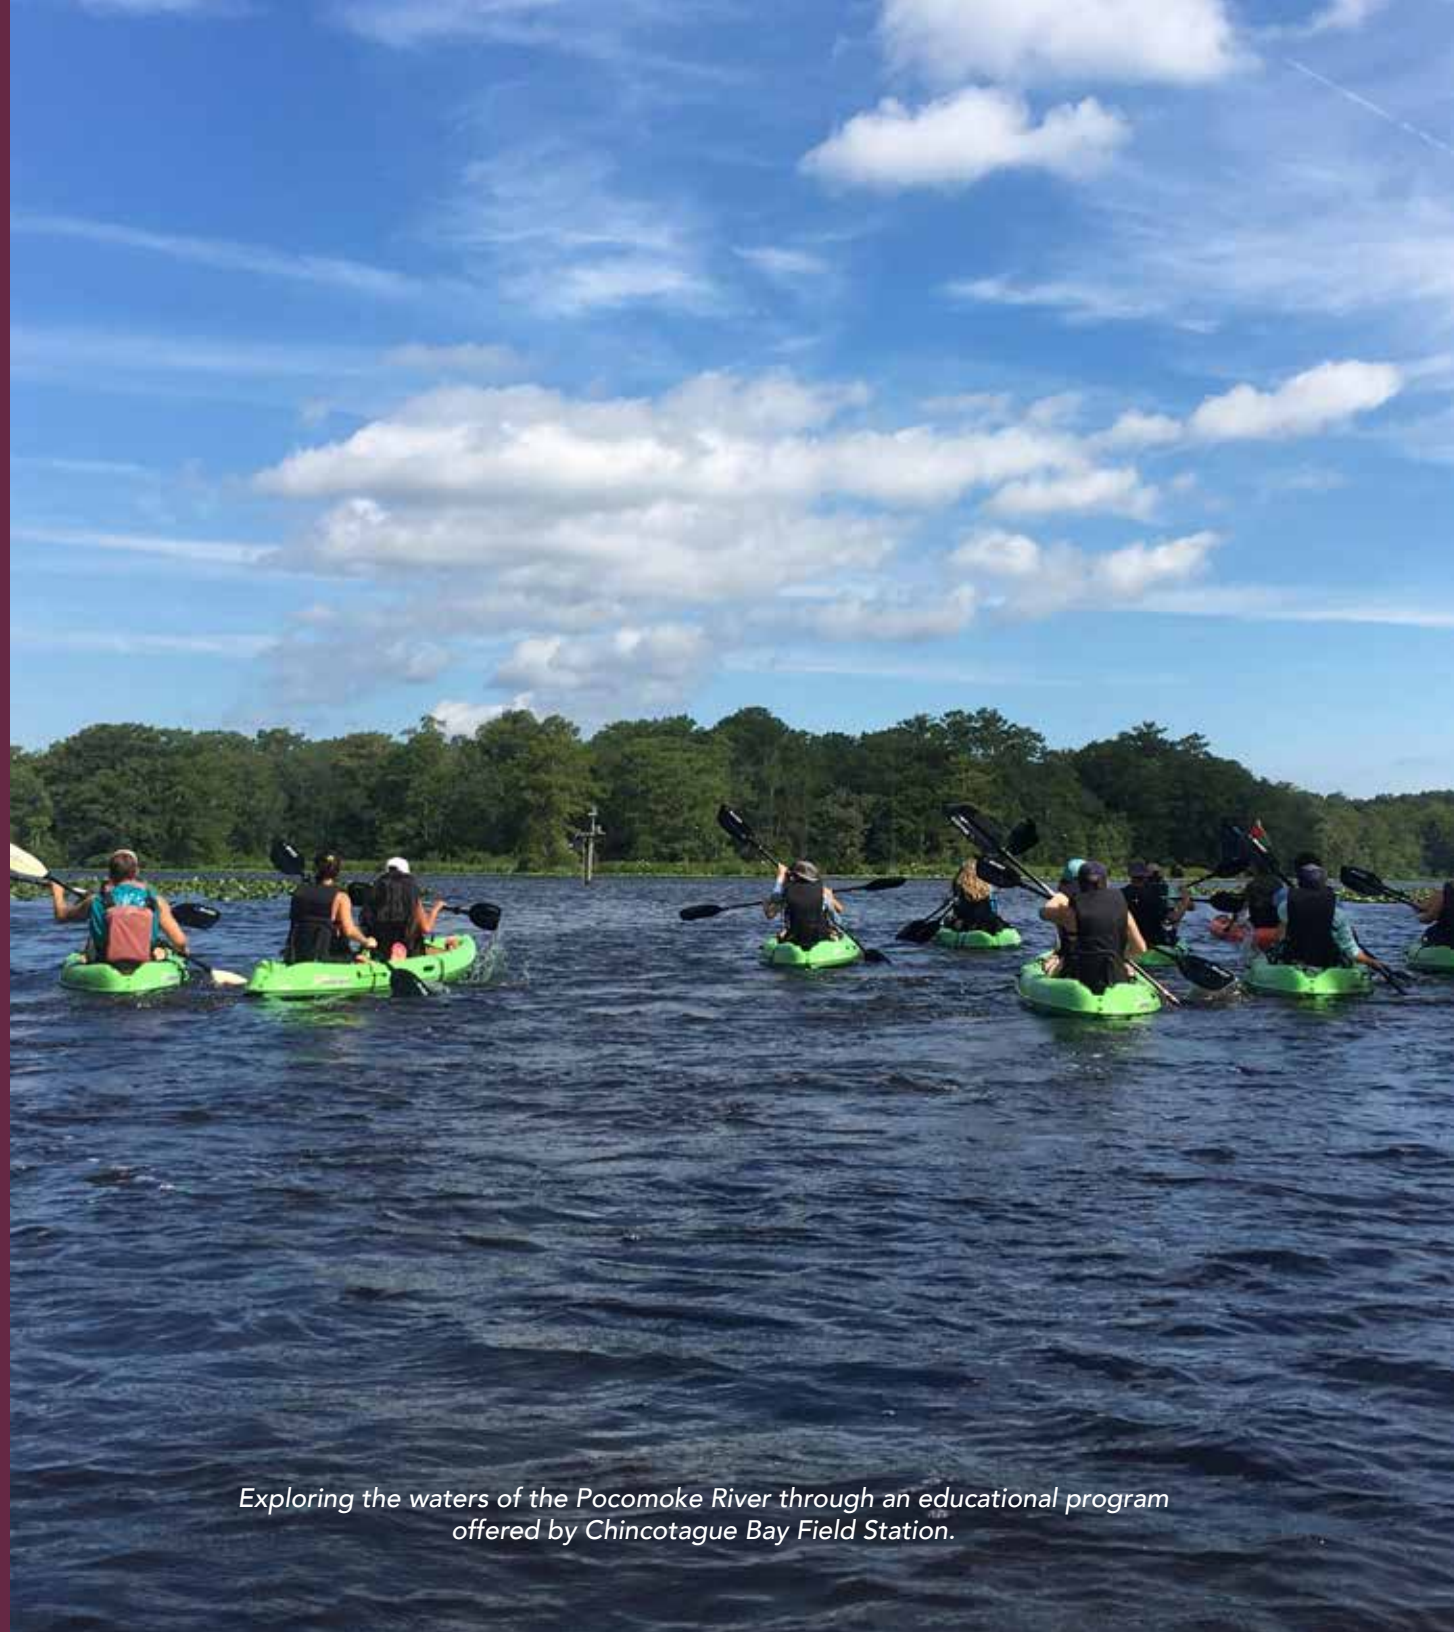

Making critical grants to meet current and emerging community needs and opportunities.
